I understand that if I leave the alternate section blank, I may be placed in any available class and I will not be permitted to request a change.

ALTERNATES: Please select 4 alternates			
Course Title	Code	Course Title	Code

My student and I have carefully selected the above courses. We know that every effort is made to accommodate our requests. If this is not possible we understand that my student will be placed in one of the alternates listed or any open elective course. Changes will only be considered because a graduation requirement must be added, administrative withdrawal is requested, physical inability to participate, student has an incomplete schedule, there are duplicate classes/obvious errors or other IEP/ELD placement issues.
